“ Uncle Bill was a wonderful man with a smile that could warm the coldest of rooms. He made you feel welcomed and special even if he didn't know you. God gave us a gift when he gave us him. Your smile and your gentleness will be missed.

“ Anyone who knew Billy can't think about him without thinking about his laugh. He was a lot of fun. He is free of pain and worry and now is up there with Donnie enjoying themselves again.

“ I've known Bill since he was about 8 years old and have many many
memories. I know for a fact he loved his family more than anything.
Michael was his pride and joy. He had a special relationship with his
mom and sister Marlene. We had so much fun as young families. I
now have to say goodbye and believe his physical pain is gone. And
his poor life choices are forgiven and he can now rest in peace.

“ I remember so many days growing up with Bill and his long beard and long hair and his laugh. His chuckle made you laugh even more... He was a very kind man and I can't ever remember him being angry. Life was a BIG party for Bill and he brought laughter to all the lives he touched. Bill you were family to all of us and you will be greatly missed. I know you are with God now and I KNOW we will be with you again when it is our time. But in the meantime, I KNOW you are right here with us in spirit, just not in physical form. Show the people who hurt for you that you are with them and let them know you're ok. Love you, Debbie
