Aunt Billie Faye , you were the light of our entire family , Loved unconditionally , kind giving , first one to be of support, and the first to tell you if you were out of line , A smile that was contagious , funny , you were my favorite Aunt , I could talk to you about anything and knew it would stay with you , I could call day or night , never any judgement, just 4 words what can I do , I have a hard time knowing you have been gone 5 years this year , you raised 3 beautiful , children who all have your strates and smile , I was unable to attend you life celebration but was with you in spirit on your day . I know you are in heaven and have your wings , we spoke before your passing and had a good heart to heart , I wish you were still here . Things are so different now , but when God takes you home there's a reason your work on earth was finished , So many beautiful memories of you being in your wedding as a child as your flower girl , many over night visits and holidays , growing up with my cousins , I miss you alot and more on the holidays , RIP I love you. Your Niece , Coleene. Hugs to you in Heaven ❤️❤️

“ I worked for Billie a long time ago was so sad to hear of her passing. We had alot of great laughs and long nights at the flower shop. Billie had a great talent that came naturally, an eye for detail. I helped to get them up and running and we had the best shop in town! Billie will greatly missed by so many..
