“ *Deepest condolences Jen and family, I didn't know Billy very well just a few softball games here and there and a few get togethers but the immediate impression was his outgoing and fun attitude. I hope your memories of his smile and laugh bring you comfort in your time of sorrow.*

“ When Billy was just a little kid ,I used to watch him over summers, I lived across the street from him, I got to watch first hand , Billy growing up into a hard working young man. He was quite the joker. Billy RIP until we meet again! God Bless you and your entire family.
