Tribute Wall

“ Dear Julie and Justine,
Words cannot express the sadness I am feeling over the loss of your Mom, my sister and friend, Jane.
As the oldest sibling, I have so many memories of Jane; her childhood, her teen years and our special adult years.
As you both realize, your Mom was an exceptional person, full of love, kindness and generosity. She was first and foremost, the listener. She was always available to share and be there for all. Even in her final year she manifested the same caring spirit that was her signature all through her life.
I shall always cherish our week in Florida, only one month before she left us; our trips to the beach with Jim, Cristine, Lauren and Aiden, our swims in the pool, our golf round, our trips to the grocery store and our quiet conversations on the lanai.
I'll never forget the courage she displayed then and during her days at Union Hospital, the rehab. and the Hospice Hospital.
Jane was an inspiration to me and my family in life and during her final hours. My wish for you both, Julie and Justine, is that the beautiful memories you have of your Mom may sustain you during these difficult days. Please know that we are here for you whenever you need us.
We love you, Aunt Phyllis
