“ We are honored to have John and Fran as our neighbor. He always thought of others and looking out to helping his neighbors. He loved to plant cactus around his yard, front and back and beyond the backyard to watch them bloom every spring. We remember the Palm tree he had to take down. We and others in the neighborhood got together and took a week to finally get rid of it but a sad day to see the Palm tree gone. He said, it was too big to take care of it. But he did love and enjoyed the smaller cacti that bloomed . He will be missed. We Love you John and Fran, your neighbor on Fran drive(John said, that's the reason he bought the brick house on Fran drive bc of his beloved Fran). Amen 🙏❤️
