“ I remember a day I was in the kitchen with my mom trying to bake. We had a very small kitchen so we were constantly running into each other and arguing. I finally said “that’s it!” I pulled the electric mixer out of the bowl while still running. Needless to say the mixture went all over mom and her kitchen. She said “what the heck did you do that for?” I said to let out frustration. We both laughed afterwards. We couldn’t be in the same kitchen together. 🤔😊😊👉
