Bonnie loved music and dancing and one of her favorite therapies was music therapy. She also enjoyed playing bingo, puzzles, games, and watching game shows. One of her favorite tv shows was The Brady Bunch. Bonnie had a great mix of determination but was also laid back and went with the flow. She enjoyed going out to eat, especially at Beggar's Pizza! Bonnie was a great friend and companion, her caregivers and their extended families enjoyed spending time with her and including her in their family gatherings and holidays. Bonnie had two very special friends, Janet Wilson and Rosa Alvarez (deceased) they were described lovingly as their own little "Golden Girls" club.
