“ *The last text he saw from me a day or 2 before he passed. He was in so much pain he didnt want me to see him so ill.*

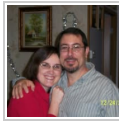

I stopped at your house today prepared I would have to fight my way into your house to say wish you a merry Christmas and to give you a hug but you weren't there. You're one of my best friends and I'm going to miss you dearly! Thank you for our beautiful children and taking Danny under you wing and treating him as your own. Thank you for remaining my friend despite my craziness. Haha! I appreciate everything thing you did for us! I love you! Hey just one more favor...if there is a heaven can you check on me from time to time and bring me fortune and maybe a Better metabolism? Lol thanks.

“ *I will always cherish my memories with Brad. My fondest memories are snow mobiling with him. Brad would pick me up on Bass Lake behind my parent's home. We would fly around on nearby lakes and fields, laughing for hours on end!!! Brad was a good friend and will be missed by many. My deepest condolences to the Murray family.*

Memories... let them fill your mind, warm your heart, and lead you through.

God Bless
