“ *Brandon was a constant part of my childhood growing up. When I came home from school or dance, I either said "hi Dan, hi Brandon " or I would ask mom where Dan was and she would reply "at Brandon's ". He was 4th of July summer parties. He was kind. He was a mischievous smile and Dan's partner in crime. My favorite memory was from a family vacation we took together. On formal night Brandon and I had a professional picture taken of just the two of us. The next day I went to see the picture, and we couldn't find it. We asked around a bit and saw his mom, Donna. Donna told us he came 1st thing in the morning and already bought it. ❤️ Brandon will be greatly missed by all that were lucky enough to know him*
