I'm heartbroken Brandy is someone I will always remember for her kind heart and love of all animals. She will be missed by so many. To her parents you have our deepest sympathy.

My heart is broken! How do you sum up 32 years in a couple sentences? We had some really great times. The world is darker now that your bright light burnt out. Brandy was fun, energetic, the life of the party. Everyone that met B wanted to be around her, I was one of the lucky ones that got to be part of her entourage. We were inseparable through our early 20's. Brandy's love for animals of all kinds was beautiful. She had the biggest heart! I will carry her with me for the rest of my life! CC Stilskins for life and beyond!!
