“ *Just want to say I' am sorry for your lost, but I believe God has another angel. I love Brenda so very much. She always gave me a big hug and ask how I was, even when she was so sick herself. She was the same always, never did she act one way ,one minute and another the next minute. She truly showed the love of Christ! So even if we miss her and we do, all is well. So I pray God will wrap his loving arms around each one of you, and give you comfort, and peace as only He can. Brenda Silvers, may you rest in the Saviors arms!*
