“ We are saddened to hear this news about Brian. I hope he is at peace. Our thoughts and prayers are with the family. John and I have wonderful memories of Brian and the Rushing family -- going back to the camping days. Those were some of the best times for us. Not having kids of our own, it felt like Brian, Tammy, and Amanda were part of our family, watching them grow up from young kids to adults. Although they are not physically with us, Brian and his dad Tom will forever be a part of our memories. Love, John and Donna Hammersmith
