# Tribute Wall

“ Although I didn’t know your family I was very sorry to read of the accidental death of Mr. Brian Workman. Your family’s loss is no doubt devastating. Sometimes it’s hard to understand, why things happen as they do. Especially when you lose someone, who has been a part of you. May the tender mercy that God has always shown be with you now so you will know that you are not alone and may the prayers of others help in some small way to bring you strength and comfort and courage each day. Soon God will wipe out every tear from our eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Revelation 21:4 My deepest sympathy to the family
