“ *Buck was my friend. I can't imagine what his Dad and Mom feel. I really liked the Buck-a-Roo. I was always glad to see him and get to chat. He was an excellent crane operator who I trusted with my life more then once at work. I am so sad about this. God bless all the family and friends who loved Buck.*

Our hearts go out to Cindy, Wayne and the entire family. My nephew, Michael Connell was a friend of Bucky's for many years. I recall so vividly how devastated Bucky was when we lost our Michael. Our family understands the pain and sadness you are experiencing at this time. We will continue to pray for Bucky and also that his family, children and friends find peace somehow, someway, someday. May God bless you and keep Bucky safe in his most loving arms.. Dave and Kathy (Connell) Holland

“ Wayne I am very sorry to hear of your son Bucky's passing. Although I did not personally know him I am sure he was a man of character and a likability that was passed on by you and his mother. The loss of a child no matter at what age is terrible tragedy in one's life. I will have you and your family in my thoughts and prayers over these trying times.
