“ There’s not a day that goes by that I don’t think of my sweet and dear friend Candace. I still kept every birthday and holiday card you ever sent me. Your friendship meant the world to me and I can only hope to see you again on the other side of this life when I’m called. Your passing was the hardest I ever endured. You were an angel even before you arrived in heaven. May you continue to Rest In Peace and watch over your children. Much love!!!
