“ So sorry to hear of Carol's passing. She's way too young. I remember hanging out at her house listening to David Bowie records and just being good friends. It's hard to hear that someone from the old neighborhood is gone, but I'm sure she is with our Creator in paradise. My own illness prevents me from attending services, but I want the family to know our thoughts and prayers are with you.

Sincerely,

Dan Femiak and Family###imported-begin##Dan Femiak###imported-end##
