“ *Carol was my second mom growing up! I remember her spaghetti sauce and teriyaki chicken (those were my favorite nights to join in for dinner). She welcomed me along on camping trips and made me feel right at home when I was at her house. Love this photo as it is just how I remember her.*

“ I'm very sorry for your loss. I met and worked with Carol at Century21 Kepchar. We had some great times. I've seen her recently at a Oscar and the Majestics performance and dancing. It was great to see her and Ray. Went on vacation once and had left the girls at home. Had Carol call to check up on them. She surprised them. We laughed.
