Her greatest joy was entertaining them. Carolyn enjoyed reading, cooking, and being with family and friends. She planted herbs for the dishes she created and enjoyed preparing her home for guests. “ *Christmas...years ago. She and I were sitting off to the side while the family played board games,Behind her and I was the sweet table.My side eye noticed that Carole's shoulders were shaking...laughing.She indicated I should look behind us and, there, my huge black Lab was licking the frosting off the cake.Carole quietly got up took the cake over to the counter where no one would see and smoothed the rest of the frosting over the "bare spots" and put the cake back on the table. She whispered to me, "There...good as new!". You will be missed; our families shared so many wonderful memories. I still can't believe you are gone*

Such a sparkle she had...now gone out. My love, sympathy, and prayers to all of her loving family. Kitty LaPointe

My favorite memory is when Corrine and I flew in for Paula's baby shower. Carole and Bob opened their home to us where we made the baby shower cake. There was so much fun and laughter. We will miss her very much.

Carole loved her family and friends so much. I remember the many family holiday dinners we spent with her. She always welcomed us to her home. And I think I developed the love of Costco from her. I will miss you Carole.

We will miss Carole dearly. She was a warm, caring lady. Always a smile on her face and always an offer to help if she felt you may need it. She had a heart of gold and was a wonderful neighbor. Rest in peace dear friend.
