“ Another year without you. This time of year is so hard. We all loved Christmas. I miss you, Jeannie Mom so much. Time does not heal the pain of losing not only a sister, but a confidant the rock of the entire family and the one person who always had my back from childhood. I love and miss you Love Sis

“ My dear sister it's coming up on 6 years without you. We had such a strong soulful bond from the time I was a child. You always had my back you were always there not just for me but everyone. Your compassion and empathy for others was amazing. You gave and gave all your life. There isn't a day that goes by that I don't think of you. I love and miss you dearly.

Love always,
Sis
