“ *Carol, I'm so sorry for your loss. Carroll was one of those people that helped shape my career. He always had a good story to tell (even though it was often about the time when he beat me playing pool in Indianapolis) and always enjoyed talking with me about Corvettes. I'll miss that. Although I won't be able to attend his service, please know he, and you, are in my thoughts. Peace, Jim Jaracz*

“ We always called he Carrol and She Carrol as a joke, but it stuck. So many laughs, I would not know where to start. It would take a lifetime to remember them all. One that makes me laugh is when I do yard work, heaven helps us as to what I have on! They would go out of there way to "admire" my outfit. Then we would block the rode for 20 minutes trying to figure out were to go to dinner with Bob and Barb and Chuck and Nancy. Just good times with him all the time. He will be missed by many❤️

“ With great sorrow he departs our world for a better one. We have been blessed for having know and shared many great times with Carroll. I met him 39 years ago when he knocked on my door. He was there to interview me as a potential neighbor. I'm so glad I passed the test because He Carroll and She Carol are two of the best friends I could ever have asked for. We partied at 1 of 4 neighbors houses on Saturday and went to Church on Sundays. When Carol wanted a dog, Carroll said no. I dropped off Emily in a basket on the front porch and hid to see the reaction. Emily became their child. Sooo many great times. Carroll will never be forgotten!

*She Carol,
I will never forget the 1st.time I met he Carroll. He came knocking on my door to interview me as a potential neighbor. I guess I passed, because you built your dream house. My heart is broke as I remember all of the great times we have shared. Such as playing stork with Emily and John eating the huge moth in your kitchen after our progressive margarita night. It was great to spend time with you two in Marco Island. We love you deeply Carol. Come spend some time here in the Keys with us this winter. We have a guest room available to you like yours was always available to me. Please take a break. I love you like a sister.*

I remember you 1st time I can let he Carroll. He came knocking at my door to interview me as a potential neighbor. I guess I passed, because you built your dream house 4 doors down. We had years of great times I will never forget. Our stay in Marco island was icing on the cake! Now we are all grieving his passing . We will miss you eternally Carroll! 😞. Carol I love you as my Sister. Please come down to Key Largo to relax and heal. It will be 81° today. Now we must concentrate on your well being! Love you!
