“ My mother worked with Kay at Williams Electronics until her early retirement in 1988 when we moved to SW Michigan. Mom and the two Kays (Carrico and Vesper) ran the parts department. There was seldom a day that she didn't share stories of their laughter and friendship. Mom passed away in February of 1999, although we had lost track of her friends much earlier due to her battle with Alzheimers. I hope they're together now, joking and laughing at the good old days.
