“ I can't help but to flashback to the 90's when muscials first came to Wheeler Schools. Without Cecil's ability to run the sound, no one would have heard the music in our musicals in the old gym. How we argued, laughed and cried trying to rig that old gymnasium! Most importantly, I remember our stunned and celebratory expressions (Cecil's, Pam's and mine) when we pulled it off. My love and prayers to Pam, family and friends. Gwen
