“ *My heart is broken that you have left this world and I will never be able to see your face or hear your voice. I am going to miss our late night phone calls. We have so many wonderful memories and I plan on holding on to them. You were more than just one of the best friends I have ever had. You were my family and I was yours. I am so sad I won't be able to tell you goodbye on Thursday. I know you your mom gave you a hug a for me and told you I love you. Until I see you again my friend 💔*
