“ *Rest In Peace. I'm just reminiscing about the motorcycle rides through the forest preserves, your leather jacket, long drives to Oklahoma, trying to teach me to drive the Nova, motorcycle and the Firebird, amazing conversations and your love of music. (Higher Love, In the Air Tonight, anything U2, Take My Breath Away). You'll always have a place in my heart.*

“ I am so sorry to hear about Chucks passing. He is gone far to soon. I worked with Chuck for over 7 years and spent countless hours talking with him about all of life's adventures, religion, politics, society, childhood and family. He was brilliant, helpful, honest, and friendly in his own quirky way. He was a genuinely good person who would go out of his way to help anyone. My thoughts are with Chucks friends and Family during this difficult time.

“ I am deeply saddened by the loss of Chuck. He was a great co-worker who would go out of his way to help me when I first started here. He was an incredible wealth of knowledge and was lost far too soon. My heart is with his family in this difficult time.

“ My condolences to his mother. I haven't talk to Charles in what seems like a life time, but I have never forgotten him , our paths just went in two separate directions. I spent a lot of time with him as a child and a young adult. I have memories that will last a life time .
He will missed. Tom Warren

“ I'm very saddened to hear about Chuck. My condolences to his remarkable mother Astrida. Simply put, I'm heartbroken. Chuck was a fine individual who I shared so many great times with. I spent a day with him about a week ago and was looking forward to seeing him again some time soon. He will be profoundly missed by his many Chicago friends especially. He is at rest in God's loving arms now with his Father, Brother and Sister. You meant the world to me Chuck. I now pin my hopes of seeing you again in Heaven. Thanks for all the great memories. Your friend forever, Brian Donohue.

“ In the past few years I grew to know Chuck better, even though he was a part of my family for years. This past year he needed a friend and confidante and he reached out to me. Especially the past couple months he would tell me I was one of his closest friends and someone he could honestly trust. I will say I will miss his phone calls and advice because he always had my best interest at heart. I know he is at peace and with his family in heaven God bless
