*Here is a rod rack project that I worked on with my Uncle Chuck. He was a talented wood worker. Uncle Chuck was my dad's brother and I enjoyed his company for many years. He will be missed greatly. My sympathy goes out to the Kompare family.*

“*Charlie was my Brother-in Law. He was always very pleasant to me. I will miss him. When Rose and I would chat on the phone , He always was in the background agreeing with my Sister. Charlie you left a hole in my heart and I'll remember you coming out with the tractor helping Eric and I pick fruit from your trees. It was interesting talking about his early life. He also gave some of his beautiful handcrafted wooden artworks. We will miss you Charlie*
