“ My heart is broken for the Luedtke Family as they lost a great and respected man. I was blessed to have Jim as a Best Friend since middle school. He has always been there for Me ever since, regardless of the miles between us or the amount of time since we’ve seen each other. I have many memories of the Luedtke Family and they have always been kind and loving to Me. I know how hard times like this is and I especially have Joan on my mind at this time, they have been together for so long and that is such a blessing in life.i wish I could be there in person but I want you all to know I’m there in spirit. Sending My Love Your Way. I’m so glad Jim has Amy by his side through this. God Bless You All.
