“ *I wish to send my condolences To the Morris Family. I worked with Chuck as a fellow craneman in the slab yard and I must say he was one of the best men I`ve had the pleasure of working with and knowing. I actually broke him in on the cranes. He will be sorely missed by myself and others.I am so sorry for your loss.*

“ *I knew Charles when he was 2 years old and I spent a month with his family getting relocated from Kentucky. He was the cutest little red-head you ever saw and full of energy as 2-year boys are. I didn't see him later in life but see from his picture he had the family resemblance to his father and grandfather (Vergil Morris, my uncle) My heart goes out to the family. I have a daughter who is 52 and I know how devastated we would be to lose her.*

My thoughts are with Sandy, Gina, Denise and all of you.
