“ Dear Joanie, I just want you to know that I think about you & Nan every day and hope you're holding up ok. I wish I could've seen Chuck before his health got bad. I don't get to CP very often anymore but when I'm there next I promise to come by and see you. I have such nice memories of Chuck, how we loved our popcorn! And his laugh, he had such a cute giggle to his laugh. I remember him in his shorts and little face mask when he'd mow the lawn. He was so patient no matter what kind of trouble Nan & I were getting into! He loved his girls. Take care of yourself and enjoy things knowing Chuck is still looking after you~

Love,
