“ Charles "Chuck" Richardson
(((Uncle Chuck)))

aka 🤔 "CHUCKIE BABY"

WOW, it was not so long ago we saw you in
Winamac, & I am so glad we did!

We would L♥VE to be there today (03-25-24) to
Represent your late Brother, Earl's family... & Represent the Late
Nora (Packham) Richard as: "The one that got away" ... as we
remember you we will also remember the endless jokes we all had
about THAT!! The world is kinda getting a little bit scary, now that so
many are going away & leaving us younger generations to be the
Older Generations! Who knew, the last time you called me an "old
lady" it was only a blink away to be true!? Rachel still gets tickled
when she remembers you telling her: "Bella is antisocial & does not
like being touched..." *The next thing you knew, they were cuddling
on your couch & Bella was demanding Belly Rubs from Rachel.
Little did you know that your Great Niece was & forever Will be:
"The Great Animal Whisperer!!" Now that was funny!! We thank you
for being the most amazing, favorite Uncle that any Niece & Great
Niece could ask for. You will forever be Loved, Remembered &
Appreciated!! Now... go make your way through Heaven & make it
known (especially to my Mama... That:
"Chuckie Baby, IS IN THE HOUSE!!")

🙏 We pray that the good, happy & funny memories you leave with
us... are but, just a fraction of what you leave with all those you love!

“ There was never a marching band trip,
performance, halftime show with Mr.
Richardson. He was always there and he was
always ready to parent any student who
needed it. I always thought you were so lucky
to have him as a dad. I can picture our parents together, not working
a band booster fundraiser because they have earned a break! Much
love.
