“ To The Family, I want to express my deepest sympathy for your loss. I also want to share the comfort of John 5:28,29 where we are promised that those who have fallen asleep in death have the hope of receiving a "resurrection" back to life. Life on an earth restored to a beautiful paradise. Psalms 37:11 says, "The meek ones themselves will possess the earth and they will indeed find their exquisite delight in the abundance of peace." While we await that wonderful time please find comfort in these promises.##imported-begin##Mrs. Jordan##imported-end##

“ My Dearest Aunt Fran, You have helped shape my life. When you used to tell us children the stories of your WW II Military Career, I knew then,that this was what I wanted to do. I thank you for the courage you gave me to join the military and make a career out of it. I wanted to let you know that I really enjoyed our little dance while we were at Jarrod & Michaela's wedding. I even have pictures of us dancing and I made copies to put on the wall. Maybe I'll bring them with me. By the way, remember when we used to measure our height,I lied. You were taller, always taller then me. I'm honored to be your niece and you'll be loved and missed for all eternity. With the utmost respect,  
Love Your Neice Jody.##imported-begin##Joanne H. MacCormack,
