“ Having known Chatty and loved her since the early 50s, I have too many memories to share. Just want people to know that she was the most wonderful woman to have in one's life. Knowing her made you want to be a better person. She would laugh and cry with you and made life just great. She adored her family, her friends and her life. She was a humble person who really did not know the impact she made in all the lives she touched. She will be greatly missed. Our consolation is knowing she is once again with Dick. With much love from Janeace Bergmann .
