“ So many beautiful memories rushing through my mind. Spending anytime with my dear friend Christine on the phone or in person was always a joy. So much love and laughter. It was wonderful when after work she would show up at my door. I'd open the door and she would say I went left instead of right when I came in the subdivision. LOL Coffee was immediately made...many times Ann would join us... and sometimes we would just order pizza and all the families would end up having yet another fun meal time together. I love you Christine! I'm so blessed as you will stay in my heart forever. I know you are pain free and with Jesus. When He calls be home, I know you'll have a coffee for me...LOL Love you forever!!!! Beth
