“ Christine was one of the sweetest people I know and always had a smile on her face. I spent many Christmas' with her and truly enjoyed her warmth and kindness. She made her special mostacholi every Christmas and everyone always looked forward to it. She would come rushing in the front door with her crock pot in hand and hurry to sit it on the counter so that she could give everyone hugs. She will be deeply missed, but the memories will last forever. My thoughts and prayers are with the rest of the family and her friends. May God watch over her, for the beautiful person that she was.

“ Christine was one of my very first Best friends as young child, living on the same block in Dolton Illinois together . We had a great childhood with lots of fun memories. I remember all the sleep overs where her parents must have thought I had moved in their home. A great memory is when my Mother took Christine and I to see the movie Grease when we went back to Christine's house and acted the movie out over and over making Steve be John Travolta. We would act like we were the band members of REO speedwagon and listen to that record until it was worn out. Swimiming, playing at the park and just acting silly. Christine was a wonderful friend and I am so grateful to have had her and her family in my life. My prayers are all with you in this time of loss.
