“ Chris and the 4-some " won't mention names" did a lot of crazy things, but always seem to get caught. Chris would always have your back. I will miss you so much dear friend. You give my mom a big hug from me, and know You both are missed by many. She will watch over you in heaven. I love you to the moon and back. Till I see you again one day. Fly high my friend. P. S. Watch over your mama and let her know you are still with her in spirit. Love your sis, Brandi
