“ My deepest sympathies to Connie’s family. I was a customer of Connie’s for many years. She always had a smile on her face! When I would take my granddaughters for stroller walks, she would always let me use the back room to change their diapers. I would come in and visit her and Donna even when I didn’t have business because Connie always made it feel like home. She will be missed her on Earth but, because of the blood of Jesus, we look forward to seeing her again in Heaven.

“ Connie had a big heart and would help anyone who was in need. Many years ago she gave me some seeds from a plant in her yard. I planted some yesterday to honor her kindness as I have every year since she gave them to me. RIP Connie God has gained another Angel.
