“ *What a great friend and human being. I had the honor of working with Conni at Meadow Lane Elem. in Olathe KS, 4th Grade. Her creative, fun-loving approach to education had the kids eating out of her hands. She was and is my idol. As a friend she was kind, sensitive, and caring. All in all there is and never will be a better contributor to this world than Conni. Dear Stepp Family, thank you for sharing your wonderful wife, mother, and grandmother with me for a brief portion of my life. I loved her then and always will.*

“ Phil, I am so sorry for your loss. I never had a chance to know Connie, but you were certainly blessed being able to share your entire adult life with the bride of your youth. My hope is that once the grieving begins to subside, your memories of Connie will bring joy back into your life.
