“ Connie Mama was a delightful treat to visit with. From the first day that we met she treated my husband and myself like family. Always happy to see us, as we were to see her (and Granny). I personally will never eat a Snowball Cookie (I think you Hoosiers call it something else) without thinking of her! Much love to you all in this time of grief. Gary and Phyllis

“ *Connie was such a fun loving person and so easy to talk to. Even though we didn't see her near as often as we would have liked it, when we did, it was like we were together yesterday. I remember we thought their house was so cool because it had a pool and you could just go out the door and jump in. We had some fun parties over the years. She will be missed! Our condolences to all the family. Love, Mike, Annette DeClark and Family*
