“ Thank you to everyone who posted here, on Facebook, through email and/or made phone calls directly to the family. My fathers viewing was yesterday morning 8-18-2015, he is to be cremated per his request. I do however want to share with you all the prayer cards I had made. I felt the poem truly summed up my father and his wishes.

*Fill not your heart with pain and sorrow,
but remember me in every tomorrow.
Remember the joy, the laughter, the smiles,
I've only gone to rest a little while.*

*Although my leaving causes pain and grief,
my going has eased my hurt and given me relief.*

*So dry your eyes and remember me
not as I am now, but as I use to be.*

*Because I will remember you all and look on with a smile,
Understand, in your hearts, I've only gone to rest a little while.
As long as I have the love of each of you,
I can live my life in the hearts of all of you.*

Thank you all the Dangerfield Family.

“ My Father was the strongest person I have ever known. He was the rock of my life, my best friend and he will be missed. He died peacefully and happy to have had the time he had with my family. He enjoyed living here and spending time with my family. He has gone to meet my mother and brother - amongst the other relatives to have gone before. My family will honor and respect all the time we had and do as he wished throughout our lives.

Our condolences to Howard, Nancy, and Joanne and all of your families. I lived across the street from the Dangerfield family for a very long time growing up. Your dad was always making some kind of comment that always made me laugh. Howard I remember how we all used to hang out upstairs and your dad and your mom were also so cool about everything. Now your dad is with your mom and your older brother and they can be happy together. I am very sorry for your loss and also glad that you Howard, got to spend so many additional years with him living with you and your family. The entire Dangerfield family are in our prayers.
