### Dale Lynn Manning Obituary

It is with heavy hearts and great sadness that we announce the passing of Dale Lynn Manning, of Lake Station, Indiana on October 19, 2024, at the age of 71 from complicated health issues.

Dale had his own boisterous personality, and his community and hometown of Lake Station will miss the unmistakable sound of his laughter.

Dale began his life on November 29, 1952, at Methodist Hospital in Gary, Indiana. He spent his childhood in Gary and Lake Station Indiana with his parents and siblings.

Dale went to high school at River Forest in New Chicago, where he graduated early at the age of 16. Dale loved his only daughter more than anything in the world along with his grandchildren. Dale loved his passion for guitars and his hero Alvin Lee, of Ten Years After. He loved his Harley Davidson motorcycle along with his career as a sheet metal fabricator. He spent his leisure time playing his guitar and watching Fox News.

Dale is survived by his mother, Geraldine Manning, daughter, Breanna Manning (Luis), brothers; Richard Manning, Jeffery Manning, sister, Tracey Manning (Bryan Fellhauer), grandchildren: Nyjah, Isabella, Reina, Valentina, and Victoria, his long-time mate, Abby Jaynes of Lake Station, and many nieces and nephews.

Dale was preceded in death by his father James L. Manning, sisters, Diane Hendrix (Frank Hendrix) and Deborah Wines (Ernest Wines).

There will be no public services. Burns Funeral Home & Crematory entrusted with arrangements.

*I'm so sorry to see this. I had no idea until now. I never met Dale except through our shared love for Alvin Lee. First, on Uncle Jam website. Then, what was eventually called ES335 Network on FB. We were so busy trying to make the Facebook Page a huge success. I know he's jammin' with Alvin now. His creativity and wit along with His love for Family, Abby, Breanna, motorcycles, and guitars will long be remembered. My Sincere Condolences To Everyone. DHodel*
