“ Joe and Family,
I offer prayers and sympathy to you all at this time of loss. I have fond memories of Dale when visiting in your home with Don, and the many family gatherings at your Mom's. Dale was never at a loss for words. I know she will be missed by many. I just became FaceBook friends with Pat Terek and she let me know about Dale in her first message today.

“ Joe my first memory of Dale was when you were living at my mom's house while you were going to school and working for GMI. We were dancing in the living room and you said that you had met the most beautiful girl you ever saw and you were going to marry her. Well how blessed you have been to have been married to the love of your life for over 47 years; you will have so many wonderful memories to keep you company. My deepest condolences, may God be with you and your family during this difficult time.

“ I just loved this lady! I'm so glad she was part of my life, especially during such a pivotal time in a young person's life. She really did teach such discipline that led to great rewards. Thanks, Mrs. Terek and Mrs. Jagiela. My deepest regards to Dawn and the rest of the family.

“ *Dale was my best friend. I have known her nearly 42 years. We raised our children together. We shared many awesome times. She was everything that a best friend could be. She was hysterically funny and very supportive if you were feeling down. I will miss her very much. May God give you comfort and strength during this sad time.*

“ Mrs. T kept so many of us young girls at Harrison Jr. High on the right path. She was there for whatever we needed and was ready to laugh with and at us! Thinking of her, I picture that stern face she would make to get us to work hard and then that GIANT SMILE when she was proud of us. I have nothing but wonderful memories of a great lady and mom.

So sorry for your loss Dawn and family.

Dale was the sassiest, coolest, loving women I have ever met. Not only was she our neighbor from the day I was born but she was my second mom. My heart goes out to the entire Terek family. Much love to you all..

“ Whenever I think of Dale I smile and chuckle. She was a kind and gentle friend with the greatest sense of humor. We played bunco together for years and when her score was not doing so well she would sing a little song. "I had a little talk with Jesus" we would all laugh. She will be missed.

Dale and I bonded first over our love of her son Scott. But as I got to know her through my work in ITS, I learned that we also shared an ornery sense of humor. She was a great lady whose passing is a great loss. ❤️

“ *I'm so sad but we'll try to focus on the wonderful memories of Dale that made us smile and laugh. She was like a second mom to my sister and I. Hugs, tears shared with the entire family. Love to all of you.*
