“ Dear Linda & family, So VERY SORRY to receive this sad news. I was a classmate & having the same last name & riding the same school bus we were teased a lot. Many moons later I ran into you & Dale @ Grandparents Day @ Timothy Ball & other places out & about in C.P. He always had kind words & you two seemed like a matched set(like salt & pepper shakers). May Dale Rest In Peace & you find comfort with years of memories, the love of family, friends & your Faith. God Bless. Debbie (Thomas)Perzo

“ So sorry to hear of your loss. Dale is a cousin. Sadly, we didn't keep in touch over the years. As a young boy he liked to hear me play my guitar. Being a Navy Veteran, I would "pipe the side". Capt would send a 1mc msg to Boatswain, "set the watch". Boats would respond, the watch is set. Those that Dale trained, we now have the watch. Capt, Boats, prepare to Pipe the side. A United States Airborne Soldier is going ashore".
Rest in peace, Dale!!!!

“ My Brother ,Dale yes Brother because that's the way he treated his brother in laws as his own family! A big guy with a bigger heart! I have never known a more generous person. Dale was loved by All who met him! We All will feel empty from lack of that big mischievious smile! A guy with more tricks up his sleeve than hairs on his arms. We All will never forget the guy that always played outside the Box! But would drop what he was doing to help whomever. Love you Dale til we meet again my Brother!

“ Dale was my pops for 32 years. Brandy was my best friend. I always joked with Linda and Dale, “I bet you never realized when you adopted Brandy, 7 years later you would adopt another little girl, me”. I will miss them both until the day I see them again. I love you, Linda and will always be here if you need me.
