“ I got to know Dan a little bit attending theCAUSE shows in Pittsburgh. He was a very kind human being. I was saddened to hear of his passing.

“ I first met Danny while listening to a live band at a dorm party in the Crone 1 lounge, McNutt Quad, Indiana University, circa 1981. We reconnected several years ago and attended some live music events in Pittsburgh. He was very proud of his boys and spoke fondly of his entire family. My deepest condolences to his friends and loved ones. He was a sweet soul.

“ I was so shocked and saddened to learn of Dan's passing. So many fun memories at family gatherings. I hadn't seen him in years and he wasn't forgotten. And he never will be. He was a special guy.
