“ We have so many memories together. Starting at Mae’s grocery store on 43rd Ave and Broadway. We have shared moving days, remodeling days, sad days and happy days. We shared weddings , births, illness, holidays, vacations and family. Most of all we shared a very special friendship. We were family to each other. Judge was the kindest person I ever new. He would light up a room with laughter. My whole family loved him. I promise you my friend I will be here for Sandy and the kids as long as I am on this earth. I see so much of Judge in his boys and grandkids. What a beautiful family. I won’t say good bye because I have enough memories to keep you with us for a long time. See you in the next memory.

“ *There are way too many memories to share, poolside drinking in Aruba and Mexico, golfing in Palm Springs, casinos in Vegas, misplacing company car in Indy, dining and dashing in Wisconsin, going to wrong city to meet with clients, leaving \$250 tip on a \$125 bill (took some time to get re-imbursed for that). Dan, we have been down many paths together, some good, some not so much, I know we will meet up again on day and start a new journey, love you my friend!!*

“ An early memory of Dan and Sandy. We were living in the Virgin Islands and was taken ng my sister-in-law to the VI airport to return back to Chicago and I hear a voice come off the plane. It was Dan and Sandy. We didn't have phones so didn't know they were coming. Dan was the life of the party always joking and laughing and the 4 of us spent a wonderful week together.
