“ I loved Dan as if he were my own family, and I always looked up to him. He taught me all kinds of things about life as well as everything I know about repairing machines. Working with him at the Henry Company for the last 3 years has been an absolute pleasure and I am so very sorry to see him go. Now, I will always look up to him in heaven. My heart goes out to his family and loved ones, if I know Dan, he wouldn't want anyone to be upset about him, he would want everyone to stay strong and "put on your big boy pants" as he would say. Anyone who knew him was blessed to have him in their lives. Rest in peace old friend, you were loved and cherished by everyone around you.

“ *Denise and family. May God be with you and give you strength during most difficult of times. Danny was so special and his love for you was obvious to all. Find comfort that he is no longer in pain and suffering and know that he will always be with you. And from a Social Worker, friend, fellow worker and one who has walked the path, cry. It helps. God bless you and keep you.*
