“ I am so very sorry for Danny's passing. My condolences to all of his family. I have known Danny since he was a young boy. He and Johnny Cisarik would do a lot of things in their younger days out on our property and his parents on the Tippacanoe river in Rochester, In. Those were some wonderful times for all of us. But I hope he and Johnny can spend time with each other in Heaven...I know how heartbroken you all must be. again I am so very sorry to all of his family.....sending my prayers of comfort and love to you.
