“ My sympathy to all you young people, she loved you so much. I know how much you will miss her. As far as my relationship with your mom, grandma, aunt, etc. it was a long wonderful friendship I will treasure forever. She was funny, she was kind, smart and generous, and so faithful and loving! She supported me in everything I was going through for 54 years and I hope I meant the same for her. Life of an immigrant wasn't always easy. But we also did have lots of fun, and in spite of the health problems she was going through she was always upbeat, hiding her pain as much as possible, She was my hero, and I told her so many times. Just last night as I was driving home I was thinking of her and wanted to call her to discuss something, realizing she can no longer take my call. So sad, I have a very hard time accepting her not being here. Just last Sunday we had lunch together, praying and hoping and believing the surgery would be a success. Both of my husbands loved her and enjoyed her company, as well as Marian's. I am missing them all so much. Selfishly, another part of my life has gone with Darinka! Treasure the memories and may God bless you with peace and love in the family! That is all she ever wanted, for her family to be happy!

Family losing someone we love is never easy to accept. Sometimes it must seem as if the pain is almost too much to bear. But I believe that your love will outlast the pain of the grief you're feeling. I believe that you have a place deep in your heart where treasured memories will always live. And one day those memories will be a tremendous comfort to all of us. Until the day when we can smile again, I hope it helps to know how sorry I am and how much I care. ❤️❤️ Trudy
