“ *Darlene, my cousin,my friend. My memories go way back to early childhood. Family gatherings,crossing the South Shore tracks to the playground at Ambridge School, where played ball, hide and seek, Made key chains and pot holders. Although there may have time and distance between us, seeing her and talking was always easy just like it was the last time we were together. No matter how long the last time may have been. She is definitely one of the most loving people I have had the honor of knowing as well as being a friend and a relative! Sleep with the Angels!  
Love and miss you, Michael Trafny*
