“ We couldn't be more sad to have lost such a dear friend! From our baby daughter, Annie calling out "Hi, Uncle Dave" countless times as she played in our screen porch while she watched him picking his "award winning" tomatoes in his garden. He always yelled back "Hi, Annie" no matter how many times she called out to him. . . There were lots of golf games, brewskis, pizza, and fish fries! Then there were the countless pinochle games - the white hats vs the black hats... Mike will miss his "Pard" forever! And I will forever miss my Sugar who probably fudged that score card when Kathy wasn't looking... Whatever it took them to win. We could never forget our dear friend. So smart, such a gentleman who truly believed in that Golden Rule. We love you, Dave, you will be sorely missed by our entire family! May you rest in peace till we meet again...

Robin I remember often hearing of you and your daughter Annie (especially when she was little). Your sweet, kind words could not be more true. I was 5 when they married and only had sisters, he was my big brother who always played with us when we came in the summer. I love him so much and will miss him terribly. I just had to thank you for such beautiful words. Kathy's youngest sister, Kamille
