“ I am very sorry for your loss. Hung out with Dave in high school and always had a good time. It always makes me smile when I think of him and some of the crazy stuff we did. I know he will be missed by his family and all those who have loved him.

*Thank you, Peggy. It was very nice of you to post a message. He was the same as when he was a young man - Dave enjoyed his life, on his own terms. He has a beautiful family and grandchildren who will miss him, as will our sister and I.

“ *Dave was a good person and a caring friend. Always there when you needed something. We had limited contact over the years and I regret that fact.*

You were a great buddy, laughing and making your Mom's crazy when together and just know that he loved you like a brother, Bill. I smile remembering you, Jessie, Denny hanging out together and playing pool in our basement. Dave was proud of you told me he was especially to call you his friend. Thank you, Bill, for connecting. Hope you will be with us on Dec.18th and meet his children and grandchildren. Barb

I have good memories of my little brothers , David and Danny always being together and calling themselves Daniel Boon and Davy Crocket the hero's of that era. Beautiful blond little boys who needed more direction as they grew up than they received from their family. David served in the army and for his service we are all grateful. My brother had two beautiful daughters and a wonderful and smart son . Thank you David for the good times we shared and the memories of my little brothers, Love you, Sylvia
