“ Dawn and Family,
I have great memories of David when we were kids in the same neighborhood. I enjoyed re-connecting with him and you, Dawn, when he came back to Greenville to check up on his mom and to connect with his friend, my brother-in-law, Steve. May the angels take him into Paradise. I extend my condolences and my prayers to you and the family.

“ I was so very sorry to learn of your loss, Misty. Please know that you and your entire family are in my thoughts and prayers. Friday night's performance of Mozart's Requiem will be offered up for you in prayer--this was the first piece we had sung after my own dear father's passing, so it certainly holds a special place in my heart...as do you! --Linda
